Center of Hope Mission Statement

The Center of Hope listens to the cries of the poor with compassion and love, and without judgment, seeing all who present themselves as children of God. A loving presence to those in need and advocates for the powerless, we offer hope to families, regardless of race, ethnicity, religion or gender, as they deal with life's daily challenges. The Center of Hope offers emergency financial support for rent and utilities, provides case management toward resolutions of on-going difficulties and assures the dignity and self-respect of each individual.
